The School District shall have the first and exclusive right to the baseball field for the dates and times that it conducts practices and games for the high school and middle school baseball teams. The School District shall provide to the Town a copy of its practice schedules and game schedules. 7. **Liability.** This Agreement is not intended to alter or reallocate any defense or immunity presently authorized by law, or to create or transfer any liability arising under the law. The School District and the Town shall each bear any liability or risk of loss for claims arising from the acts or omissions of their respective employees and agents. Each party agrees that it shall be responsible for its own officers, agents and employees who are performing duties under this Agreement, and neither shall be liable or responsible for the acts or omissions of the other's officers, agents or employees.
